It's the season of thanks ...

We give thanks to you!

It's a privilege for us to support you in your health and beauty journey. We are grateful that you trust us with your care.

Let's Get Holiday Ready

With festive gatherings and ugly sweater parties finding their way on our calendars (already!), let's talk about getting ready for the season of sparkle.

Injectables: Instant Rejuvenation

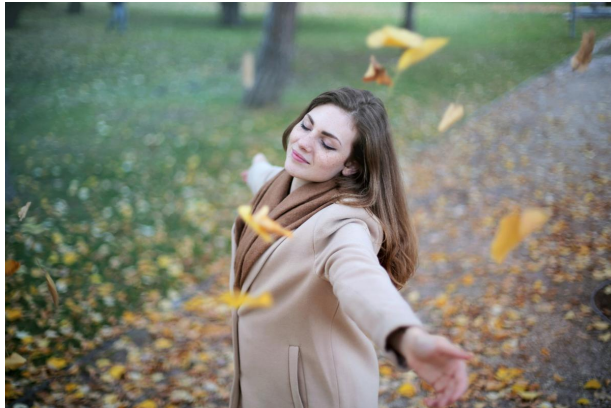

Injectables are the perfect quick fix for many concerns. Just remember that with injectables like **BOTOX®** and **JUVÉDERM**, timing is everything.

Book your appointment for 2-4 weeks

before your big event. Not only will that give you time to experience the full effect, it also ensures there's enough time for any minor swelling or bruising to subside.

- **Botox® Cosmetic:** Smooths fine lines and wrinkles in the forehead and around the eye area.
- **Juvéderm XC:** Perfect for pesky lines around the mouth.
- **Juvéderm Voluma:** Hello, cheekbones!
- **Restylane Silk:** Makes lips more luscious and full.

Holiday Beauty Tips

1. Start now. The earlier you begin, the more radiant you'll be when it's time to shine.
2. Take advantage of the cooler weather for nobody-will-know recovery.
3. Consider combining procedures to maximize your transformation and recovery time.
4. Keep a stellar skincare routine for get-glowing skin.
5. Remember, the best accessory for any holiday outfit is confidence.
